

Remarks

Applicant has just received a letter, a copy of which is attached, from IDEAL Industries, Inc. complaining of the use of IDEAL's trademark WIRE-NUT in lieu of the generic description "twist-on wire connector." Applicant has accordingly amended the specification on pages 6 and 8 and amended claim 3 to correct this informality.

It is accordingly submitted that this application is in condition for allowance and early steps toward that end are earnestly solicited.

Respectfully submitted,
